Creation date: September 19, 2016

Revised: September 5, 2017. May 30, 2019, December 18, 2019, March 19, 2020

Reference: Child Care and Early Years Act, 2014

Board Approved: September 22, 2017

I. Purpose:

The purpose of this policy is to provide clear direction and understanding of the roles and responsibilities for staff during an emergency and the procedures that will be followed to ensure children's safety and maintain appropriate levels of supervision. An emergency is an urgent or pressing situation where immediate action is required to ensure the safety of children and adults in attendance. Emergencies include situations that may not affect the whole child care center (e.g. child specific incidents) where 911 is called. Orde Day Care has developed and implemented this Fire and Emergency Management Policy and Procedures in accordance with sections 68 (1) and 68.1 of O. Reg. 137/15 under the Child Care and Early Years Act, 2014 S.O. 2014, Chapter 11, Schedule 1.

Clear policies and procedures will support all individuals to manage responses and responsibilities during an emergency, resulting in the safest outcomes possible.

II. Definitions:

Authority: A person or entity responsible for providing direction during an emergency situation (e.g. emergency services personnel, the licensee).

Designate: A senior staff given the responsibility of managing the centre in the absence of the Supervisor or Executive Director by the Supervisor or Executive Director

Emergency: An urgent or pressing situation where immediate action is required to ensure the safety of children and adults in attendance. Emergencies include situations that may not affect the whole child care centre (e.g. child-specific incidents) and where 911 is called.

Emergency Services Personnel: (ESP) persons responsible for ensuring public safety and mitigating activities in an emergency (e.g. law enforcement, fire departments, emergency medical services, rescue services).
